

Web Project:

1.

- a. <https://vancouver.ca/>
 - i. good: nice background pictures
 - ii. improvement: less elements on home page
 - iii. my change: add more green
- b. <https://metrovanvancouver.org/>
 - i. good: cool moving background picture
 - ii. improvement: less elements on nav
 - iii. my change: add some elements on the side, instead of all below each other
- c. <https://vancouverplan.ca/>
 - i. good: varied media (video, pictures, etc.)
 - ii. improvement: change background colour (don't use white)
 - iii. my change: use light green as a background colour
